

UVSN INC

Capabilities Statement

Cage: 049Q9 UEI: XNHPDRYKAFT3

We are a Veteran Owned small business that specializes in providing comprehensive management consulting services and technical services that drive organizational success.

Core Competencies

- **Portfolio, Program, and Project Management:** Utilizing agile, traditional, and hybrid methodologies, we oversee large-scale projects with proven success in increasing efficiency and reducing project timelines by up to 25%.
- **Strategic Planning:** Expertise in long-term planning and strategy development, helping organizations align resources and initiatives to meet business objectives.
- **KPI Development:** We help clients define and track performance metrics that offer actionable insights, improving operational efficiency by an average of 20%.
- **Predictive Data Modeling:** Using advanced data analytics to forecast trends and outcomes, enabling our clients to make data-driven decisions that enhance business outcomes.
- **Data-Driven Process Improvement:** With expertise in Lean Six Sigma and continuous improvement methodologies, we have successfully streamlined processes, reducing waste and improving productivity by 30%.

Our team brings decades of experience in management consulting, data analytics, and process
